Employee Spotlight

Christina Kasal

Director of Nursing
Employee since 1996

When the moist summer weather has her down, you can find Kasal loitering at the local Dairy King, Dairy Queen or Culvers for just about any ice cream flavor they have. One more thing – she hates liver and onions!

To keep herself busy outside of work, Kasal enjoys mowing, landscaping, growing flowers and teasing her husband. Watch out, Mark - She has a shovel and knows how to use it!

Christina's favorite thing about working here is getting to take the residents out on community outings like bowling, the Botanical Gardens and the zoo. Her second favorite is seeing her coworkers show up every day! Don't let her shyness fool you outside of work. She makes working here fun and knows just what to say to turn that frown upside-down!

Kasal loves watching Westerns and her favorite TV show is Blue Bloods. Will John Wayne or Tom Selleck win her heart? Stay tuned!

Keep the sprinkler and the moon walk to a minimum because this gal likes to brush up on her air guitar skills while listening to the newest pop/rock. She always wanted to see George Strait in concert. Are you going to take her to see George?

Yes or No

Christina can be found sipping a cold one while soaking her tootsies in the natural hot springs of Colorado. This silly goose says she'll go just about anywhere in Colorado.
