Employee Spotlight

ANASTASIA HAWKINS

There's no place Ana would rather be than in the great outdoors, snuggling in a tent with the racoons and mosquitos. Outside of the tent, you can find her wetting a line and catching only the biggest fish!

Knowing that the residents and employees here appreciate her cooking is what Ana enjoys most about her job. Ana really does a great job making sure the residents are served quality food and she goes out of her way to make something special for them if they don't like what's on the menu.

When Ana's hungry, you'll find her slurping her favorite noodles at the Olive Garden. You know where you won't find her? Anywhere near a can of corn, that's where! Ana's biggest pet peeve is when people say, "It is what it is" because she believes that if something isn't right, it doesn't have to stay that way. We agree and appreciate her positivity!

When Anastasia isn't singing love songs to her houseplants, she enjoys listening to CreepyPastas on YouTube. If you enjoy horror and like listening to scary stories, you should definitely check this out! When Anastasia wants to kick back and relax, she enjoys watching the Animal Planet. Don't go peeking in her room, though. It's most likely plastered with posters of her favorite Scottish hunk, Gerard Butler.

Ana listens to a wide range of music and has grown to love Twenty One Pilots. We'll let you in on a little secret about this music-loving girl- she hates whiners, especially when they're singing country.

Ana is an asset to BCE and we are very proud to have such a kind and wonderful person on our team. Thank you for all that you do, Anastasia!

RESIDENT SPOTLIGHT

MARY PLANTS

Mary's favorite color is blue, hands-down!

We are very fortunate to hear her laugh and see Mary's beautiful smile every day!

Mary's favorite childhood memory is going to her grandma's house just to visit.

Mary has some advice for the younger generation: "Keep your petal to the metal!"

Mary would love nothing more than to give smooches to all the cute puppies.
