PICNICS ON THE PORCH

Virtual visits are still available. Please call the facility to see if someone is available to assist you with this.

Indoor visits are being offered seven days a week with ten time slots available each day. Please call the facility at (641) 522-9263 to set up an appointment. As a reminder, we must continue the check-in process at the beginning of your visit like usual, so please wait for assistance before entering the building. We appreciate everyone's cooperation.

Employee Spotlight

ANDREA SANCHEZ

If Andrea could choose anywhere to be right now, it would be in the ol' windy city of Chicago or anywhere to get away from her silly husband.

This splendor that is woman is a hard one to crack! When asked what kind of music is her favorite, she said, "Uhhhh, I pretty much like anything" (we can only imagine what it's like when her husband asks her where she wants to go for dinner).

Andrea has a few hobbies outside of working herself to the bone! She spends time with her kids and when she's alone she likes to play with her Cricut.

Curled up in her Snuggie with her McDreamy pillow watching Grey's Anatomy is where you'll find Andrea on a rainy day. When that gets old, she's learning how to break out of the clink while watching Prison Break or binge-watching Yellowstone. What you won't find her doing is watching the Lord of the Rings.

Andrea knows her way around a chicken fajita quesadilla and if you want to know the way to her heart, it starts with a horseback ride to the Texas Roadhouse. But whatever you do, do not take her to the Red Lobster or you'll be eating your Admiral's Feast in a dumpster all by yourself.

Andrea likes working here because she feels that it is more like a family environment than a work environment. She loves helping the elderly and having conversations that make both her and the residents laugh.

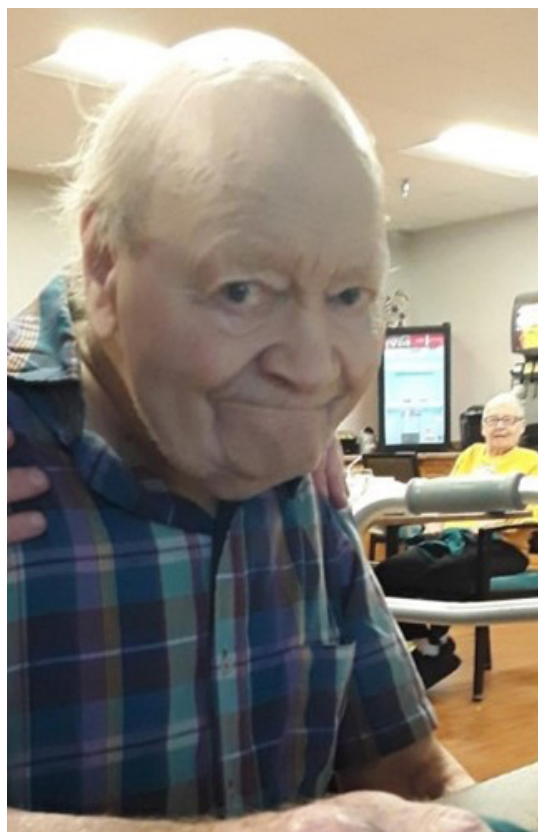

We thank you, Andrea, for being such a caring and fun person to be around!

RESIDENT SPOTLIGHT

HOWARD MCCLENATHAN

When winding down after a busy day, Howard likes to treat himself to a nice oatmeal chocolate chip cookie.

We sure enjoy spending time with Howard and seeing that bashful smile of his every day!

If Howard could eat any meal whenever he wanted to, it would be steak and tators!

We asked Howard where his favorite state is and he said, "Iowa, if I'd have to pick!"

His favorite type of automobile is a John Deere tractor.

Howard's favorite color is any shade of green.
