## *Toshia Williams*

Toshia is a Certified Medication Aide and has been working with us since 2014. But there's more to her than working at the nursing home and making her own Kung-Fu movies. Toshia would like to warn you to not fall in love with her while you get to know a little bit about her today.

When Toshia isn't researching time-travel and beetle fighting, she enjoys spending time with her friends and holding the alligators at Alligator Alley at the Wisconsin Dells.

Toshia's hobbies include: singing, shopping (especially on Amazon) and competitive ironing.

Toshia's favorite place to eat is Buffalo Wild Wings. She has contributed greatly to the corn nugget shortage at local eateries and she says it'll be a cold day in

heck before she turns down corn on the cob. She wants the eligible bachelors out there to know she does not like seafood.

Toshia enjoys listening to any music she can sing along to, especially the Reading Rainbow theme song and Machine Gun Kelly.

After a long day of organizing her stamp collection, she likes to wind down to a horror movie, pop in *A Walk to Remember*, or watch *Criminal Minds* or *Law and Order SVU*.

Toshia's favorite holiday is Halloween, the colors pink and black, and her most favorite thing to do, even more than goat yoga, is spending time with her son, Ryder.

When Toshia isn't hiding behind boxes and trying to scare her coworkers, her favorite thing about working at BCE is the friendships she's made along the way.

## Valentine's Day Potluck Fun!

## WE ARE SEEKING VOLUNTEER HOME-DELIVERED MEAL DRIVERS

Brooklyn Community Estate is dedicated to providing essential services to our local residents. At this time, BCE is seeking volunteers who are willing to provide home delivery of meals. Regular in-person interaction is an essential part of the social safety net for home-bound adults and elderly community members, and we are continuing to provide the services that are helping them stay safe and in their homes during this challenging time.

We are in search of volunteers who can deliver to the Deep River, Guernsey and Holiday Lake areas.

For more information, call Andrea or Leslie at (641) 522-9263 or send an email to [questions@bcecares.com](mailto:questions@bcecares.com).
