# Employee Spotlight

BCE would like you to meet our August Employee Spotlight - Lisa Sanchez! We have been blessed with this wonderful nurse for the past five years and couldn't imagine this place without her!

Lisa's favorite thing about working at BCE is that it's one big family here and that's one thing we love about her as well – Lisa is someone you feel comfortable talking to and she knows how to make a person feel better when they're having a bad day. And to top it off, we have the pleasure of listening to Lisa suddenly break into her own musical solos.

Speaking of singing, Lisa says her favorite music to listen to is Christian and her favorite artist is Casting Crowns. She doesn't have a least favorite, and we believe her. You never know what song she'll start singing!

Outside of work, Lisa likes to spend time with her family, especially with her dad and her grandchildren. She has a husband, Marcos, and she has three kids: Lexi, Alaina and Jarrod. Lisa also has eight grandkids: Iris, Paisley, Izavelle, Nile, Zeppelin, Indigo, Vinny and Lilly.

Lisa despises a good pickle, but don't threaten her with a good time at a good Mexican joint because she will take you up on the offer. Once the tacos settle and it is safe venture on, she's going shopping!
