Employee Spotlight

Meet Alli McCammant! She is one of our favorite cooks and dietary aides and has been here since September of 2021. Alli says what she likes most when she's at work is getting to interact with the residents. Guess what, Alli – the residents like to interact with you, too!

Alli has been married to her husband, Dylan, for about three years. When the two aren't brushing up on their Hikaru Dorodango skills, Alli is looking after her two fur babies. She has a mini schnauzer, Phoenix, (age 3) and a lab/healer/pit/German Shepherd/Demogorgon, Ivy, (age 2). Alli loves to be anywhere with her family and friends.

Sometimes Alli wants to relax, unwind and do something she loves. And when she does, you might be surprised to find out that not only is she an avid stone and crystal collector, but she's also into singing her heart out to some good, old-fashioned karaoke. If you're reading this, Beyonce, watch out!

Sometimes at work, if the stars align just right, you might catch a glimpse of Alli headbanging to one of her many favorite singers/bands, such as: Breaking Benjamin, Creed, Paramore, Evanescence, Ariana Grande, Billie Eilish or Fleetwood Mac.

For some crazy reason, this girl dislikes green olives and fatty meats. However, she does like to indulge in eating fruits and veggies and then pop a couple Tums after eating her favorite spicy foods. Lastly, we wanted to know what we'd find in her video library. Anyone who knows Alli knows she's a Harry Potter enthusiast, but she also enjoys the Golden Girls, Friends, Ghost Adventures, Whose Line Is It Anyway and How to Watch Paint Dry: Episodes 1 through 9.
