Employee Spotlight

Meet Taylor Moel! She joined us in 2020 as a new CNA. Taylor is always willing to help us when we need her, she's very dependable and the residents absolutely love her! Taylor says her favorite thing about working here is getting to see the residents after she's been away at school.

When Taylor gets the opportunity to hit the road, she is happy to go anywhere. If you pull up next to her lane, you'll find her passionately singing to the songs she knows. Currently she's digging The Orion Experience and Kings of Leon. Like any respectable lover of the finer things in life, Taylor enjoys watching The Office.

Taylor says she lives a pretty boring life. We believe her because when asked what her favorite hobbies were, she simply replied, "laying in my hammock". But Taylor isn't always a bum. She also likes to cook and bake. Like a few other weirdos around here, she hates mushrooms. She says her favorite meal is her mom's homemade KFC bowls and when she goes out to eat, she likes to test out her iron stomach at the HuHot Mongolian Grill.

Thank you, Taylor, for all your hard work around here. It's always a good day for the employees and the residents when you walk in the door.
