Employee Spotlight

Victoria Dietrich is our Staff Spotlight for January. Vicki is an RN and has worked at Brooklyn Community Estate for 26 years. Visiting with the residents and her coworkers are her favorite aspect of her job.

She and her husband Dan share their home with two cats – Maddie and May, which is short for Madness and Mayhem! She loves spending time with her daughters Mindy & Nicole and her son Ross, along with her grandchildren.

In her free time she also enjoys reading, doing puzzle games and soduku, and can't pass up a chance to sleep in. She enjoys going to Texas Road House for a tender, juicy steak and garlic bread. She won't turn down a slice of ice cold watermelon or a dish of ice cream, but don't put any cooked spinach or rhubarb on her plate. When she wants to relax, she likes listening to most types of music, but especially likes Creedence Clearwater Revival. Victoria likes the Hunger Games movies, Benny & Joon and The Bucket List as well as watching Nature on PBS.

Vicki likes being home and in South Carolina, where her daughter lives and enjoys traveling to new places and being outside, provided its below 70 degrees and low humidity, so not Iowa in July or August!

On December 6, a fun new feature was added to our living room. This 180 gallon tank contains colorful African Cichlid species of fish. Both residents and staff are excited about this new addition! Be sure to check it out the next time you visit your friend or family at BCE.

Brooklyn Community Estate is providing weekly goody bags filled with treats, and a \$5 prize to each week's winner of the Tuesday Tournaments at the Brooklyn Library. Have fun kids!
