Employee Spotlight

Robert Hall, Maintenance Supervisor is this month's Employee Spotlight. He was raised in Brooklyn and graduated from BGM. Robert and his wife Crystal are parents of Josie, an ISU student studying to be a veterinarian and Ashlyn, a senior at HLV and CNA at BCE. He also lives with their dog, Ginger and a bunch of cats that wish Robert didn't live there.

When Robert wants to get away, he heads to his favorite place, Eagle River, Wisconsin. In his freetime he enjoys fishing, hunting, fishing, beekeeping, fishing, woodworking and fishing. Did we mention he likes to fish? Robert enjoys

taking road trips to taste test all the bacon cheese burgers and cheeseballs at dive bars around the midwest. But you won't ever catch him dipping into the guacamole at his family's annual 4th of July party. His favorite tv show is Ozark and his favorite band is AC/DC.

Robert enjoys the diversity of the day to day challenges in his work at BCE. We are very grateful to Robert for maintaining our building and grounds and keeping things looking great!

Watch our Facebook page for news about an exciting new feature coming to our building in December!
